Bill #	<u>SB17-179</u> ADDENDUM
Title	Fee Limits For Solar Energy Device Installations
H-Spon	L. Herod
S-Spon	A. Kerr, R. Gardner
Summary	The bill extends the repeal date of existing laws that limit the amount of permit, plan review, or other fees that counties, municipalities, or the state may charge for installing solar energy devices or systems. The bill also clarifies that the statutory limitations on the amount of fees applies to any related or associated fees, not just to permit or plan review fees.
