

CCI PUBLIC LANDS TRAVELLING COMMITTEE
NOMINATION FORM

Name: _____ County: _____

Phone: _____ E-Mail Address: _____

Expiration of Term: _____ Are you term limited?: _____

Counties agreed to assess dues to send eight county commissioners to represent Colorado at NACO conferences and meetings. Travelling committee members are expected to attend three NACO events annually. The Chair and Vice Chair of CCI's Public Lands steering committee are automatically the Chair and Vice Chair of the NACO travelling committee. By submitting a name for nomination, you are attesting that person is available to attend required NACO meetings.

Please describe why you want to be on the NACO travelling committee. Include public service experience, elected/appointed positions, other government and/or government related service, including steering and standing committees, Executive Committee, task forces, caucuses and affiliates, etc. specific to CCI, and any other special training or experience relevant to your qualifications for service on the CCI PL travelling committee.

Travel and NACo Public Lands Delegation Policies

“The NACo Public Lands delegation shall consist of eight members. Six of the eight members shall be active participants of the CCI Public Lands Steering Committee. The other two shall be the CCI Public Lands Steering Committee Chair and Vice Chair. The Chair and Vice Chair will also serve as members of NACo’s Western Interstate Region (WIR), upon approval of CCI’s Board of Directors.

Only commissioners whose counties contribute to the CCI Public Lands Fund may be considered for a NACo Public Lands delegate position.

Members of the delegation who are not officers of the CCI Public Lands Steering Committee may serve two terms but must reapply and run for a second two-year term after completion of their first term.

NACo Public Lands delegation members who have served two consecutive terms may run again after being absent from the delegation for at least one two-year term. Service as Chair or Vice Chair of CCI’s Public Lands Steering Committee does not count as a term on the NACo Public Lands delegation.”
