

CCI LEGISLATIVE ISSUE FORM

for 2018 Legislative session

CCI is soliciting potential legislative issues for the 2018 legislative session. Please answer each of the questions below for each of your county's legislative issues. If your county submits multiple issue forms, please prioritize your issues. Submitted issues are discussed during the summer steering committees and district meetings. We encourage you to confer with your county managers or administrators and department heads, as well as other elected officials, to determine what issues are the most pressing in your county and have implications for other counties. All submitted issues forms must have the support of the Board of County Commissioners or the Mayor/City and County Council.

In accordance with the Legislative Principles that are part of CCI's Policy Statement, "...initiated legislation should be realistic and closely related to the conduct of our members' responsibilities if we are to retain a high level of credibility. Local elected officials groups, county and otherwise, as well as other interest groups, should be encouraged to find sponsors for and initiate their own proposals, allowing our members and CCI to take a supportive role when the bill is introduced."

Please fax or email your issue forms to Jeanne DeHaven at 303.861.2818 or jdehaven@ccionline.org. Please feel free to use more than one page when submitting issues and to submit additional documentation or background information related to the issue. Legislative Issue Forms should be returned by **Friday, June 30, 2017** in order to be discussed during the summer legislative review and steering committee meetings.

Name: Scott Vargo Title: County Manager

County: Summit Phone: 970-453-3404 E-mail: scott.vargo@summitcountyco.gov

1.) Issue: Ability to change the Statutory Speed Limits

2.) Background

In the state of Colorado vehicular speed limits are established in the Colorado Revised Statutes (CR.S. 42-4-I 10 I). Of specific interest is the speed limit for residential areas which is set at 30 miles per hour. County staff often hear from residents that they believe that a safe and appropriate speed limit for residential neighborhoods is 25 miles per hour, thus there is a conflict between the statutes and the desire of citizens.

3.) Proposed Solution/Legislative Remedy (Please provide the specific statutory citation your board is requesting to modify AND the proposed language you are requesting.)

Amend the statute to enable counties to set residential area speed limits at 25 miles per hour without the need for conducting a traffic investigation or speed survey.

4.) County Commissioner role in this issue?

5.) Proponents/Opponents (Please indicate if your board has had conversations with proponents/opponents to date and their perspective on this proposal):

Possibly traffic engineers.

6.) Have you visited with your legislator(s) about their reaction to this proposal? Are members of your delegation likely to sponsor, support, or oppose this proposal?

Representative Millie Hamner has been approached and may consider sponsoring legislation, but she is letting CCI take the lead at this time.

7.) Anticipated Fiscal Impact:

None.

8.) Please list the subject matter experts CCI staff can follow-up with for more information on this proposal:

Scott Vargo, Summit County Manager

Jeff Huntley, Summit County Attorney

9.) Priority Ranking (If multiple issues submitted):

2.
