Executive Director Ryan,

Both the Gilpin County Board of County Commissioners and Board of Health fully support the containment plan included in Gilpin County's application to be granted Protect Your Neighbors status.

We are completely committed to being full partners with Gilpin County Public Health as the plan rolls out to keep the incidence of COVID-19 below the thresholds indicated in the plan.

We are committed to use all the tools, resources and compliance remedies available to us to encourage and enforce compliance with the containment plan and accompanying Public Health Orders, and to assist with GCPH's enforcement actions, should they become necessary.

Sincerely,

Gail Watson

Chair, Board of County Commissioners and Board of Health
