Executive Director Ryan,

The Gilpin County Sheriff's Office fully supports the containment plan included in Gilpin County's application to be granted Protect Your Neighbors status.

We are committed to assist Gilpin County Public Health as the plan rolls out to keep the incidence of COVID-19 below the thresholds indicated in the plan.

We further commit to continue using Gilpin County Sheriff's Offices tools and resources to encourage and enforce compliance with the containment plan and accompanying Public Health Orders, and to assist with GCPH's enforcement actions, should they become necessary.

Sincerely,

Nathan Whittington
Gilpin County Emergency Manager
