# Transportation Projects: How to Get on Down the Road

CCI Winter Conference | December 1, 2021

*Marissa Gaughan, Multimodal Planning Branch Manager, CDOT*

# CDOT At a Glance

# CDOT Responsibilities

## \$1.9 BILLION BUDGET

Oversees more than **33 billion** vehicle miles of travel each year

Plowed more than **7 million** lane miles last winter season

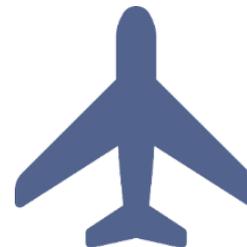

Maintains and Repairs more **23,000 Lane Miles**

Bustang accommodated **238,135 passenger trips** in 2019

Maintains **3,460 bridges**

Colorado's system includes **73 public use airports** and one seaplane base

# How Does CDOT Plan for Projects?

## BACKGROUND

State and Federal law requires the development of a long-range Statewide Transportation Plan that is updated approximately every four years.

## DESIRED PLANNING GOALS AND OUTCOMES

- ✓ Have a single statewide conversation for all modes of transportation.
- ✓ Give all areas of the state equal opportunity to provide input in the planning process.
- ✓ Give small projects equal consideration as large projects.
- ✓ Identify what Coloradans want from their transportation system and what projects best deliver that vision.
- ✓ Ensure the plan works towards the State's safety, mobility, and asset management goals.

# Idea-to-Improvement Planning Process

## SOURCES OF IDEAS

- Public Input
- Asset Management
- Data Analysis

## THE PUBLIC IDENTIFIES ISSUES AND REPORTS IDEAS VIA:

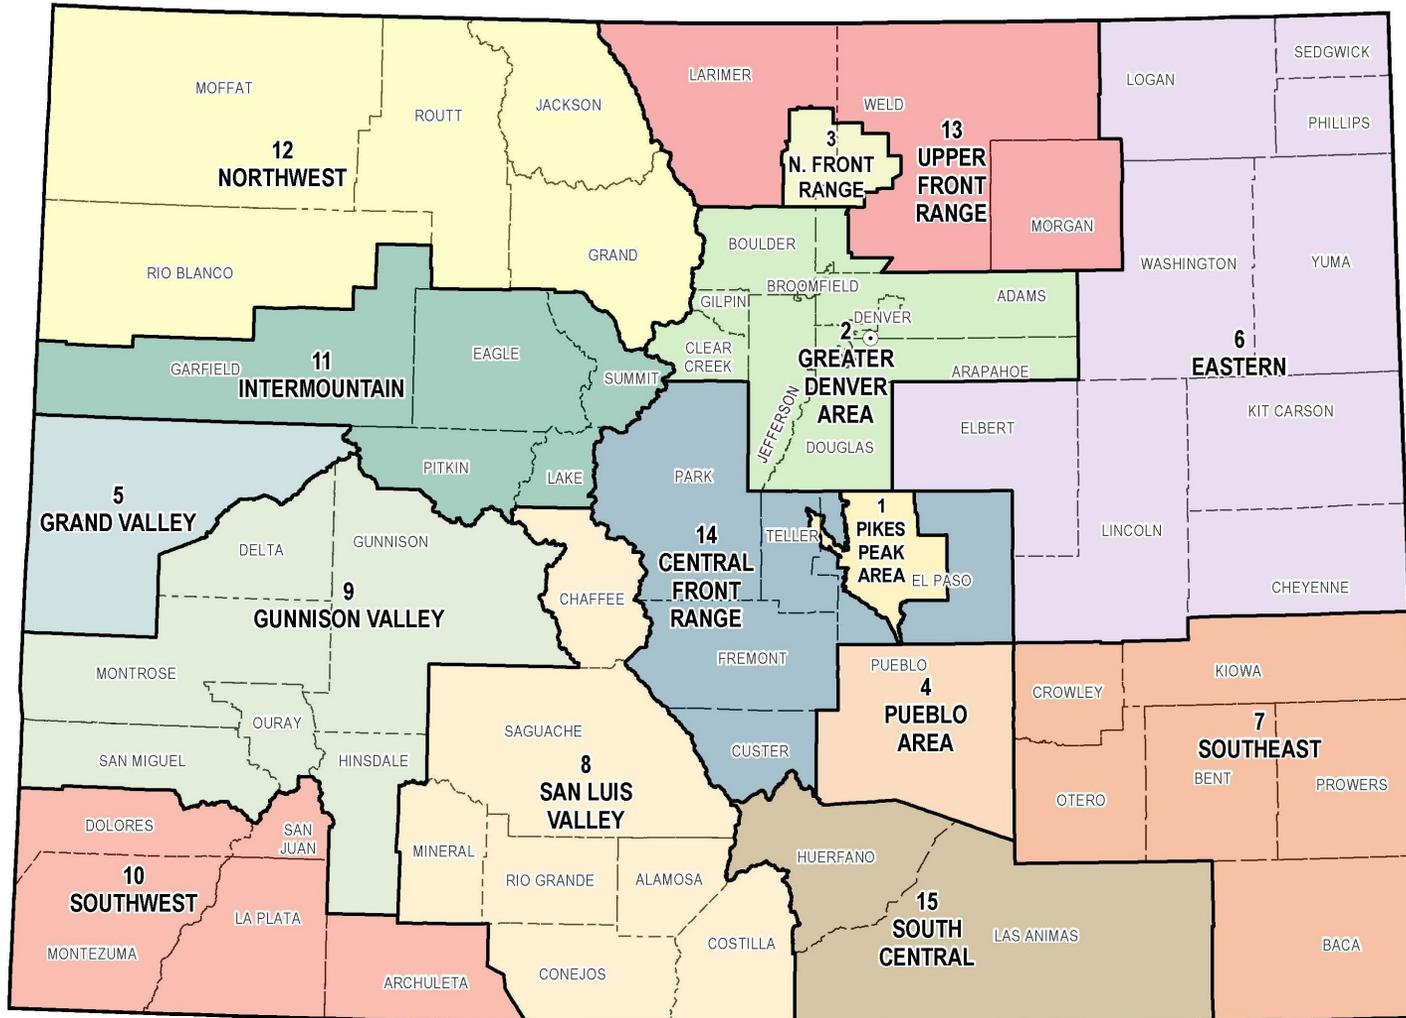

- Transportation Planning Region Meetings
- Elected Officials
- Business/Industry groups
- Special Interest organizations
- CDOT Staff
- Electronically

**We need your help in identifying project ideas!**

# How to Engage in Your Area

## TRANSPORTATION PLANNING REGIONS

Familiarize yourself with your Transportation Planning Region & reach out to your TPR Representative.

TPR Representatives and their contact information can be found in CDOT's TPR at a Glance document located at:

<https://www.codot.gov/programs/planning/planning-partners/tpr-at-a-glance.pdf>

## HOW CDOT SEEKS PUBLIC INPUT

- Local governments
- Special interest groups
- Statewide Transportation Advisory Committee
- Transportation Commission
- Comment forms on CDOT's website
- Telephone town halls
- CDOT Customer Service Line
- CDOT social media, or direct to CDOT staff members

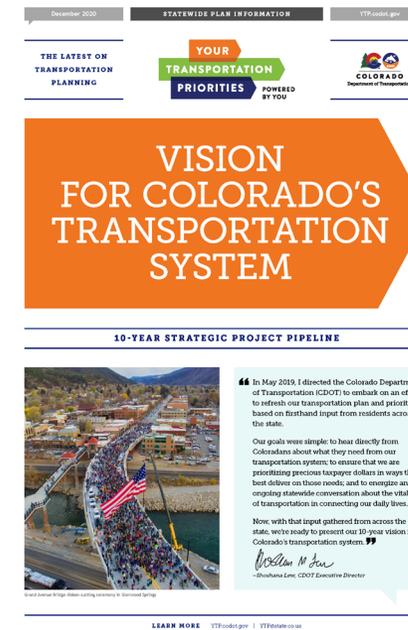

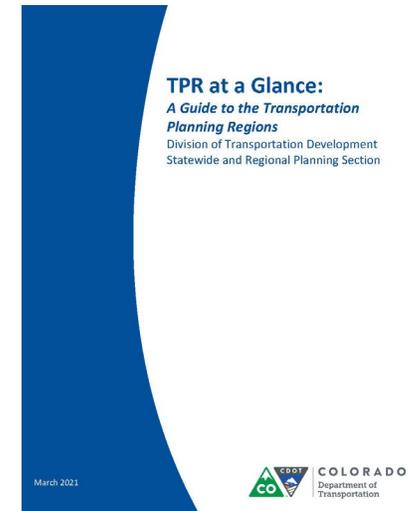

# Resources to Engage

## TPR AT A GLANCE

- Find out who to contact in your area to get engaged. The best way to find out about engagement opportunities can be as simple as a phone call or email!
- <https://www.codot.gov/programs/planning/planning-partners/tpr-at-a-glance.pdf>

## CDOT'S 10-YEAR PLAN

- Read CDOT's 10-Year Plan and explore each of the proposed projects in an online story map.
- <https://www.codot.gov/programs/your-transportation-priorities>
- The 10-Year Plan is a living document. This is a great time to get engaged!

# Summary Statistics

## *10-Year Plan Funding To Date*

### 144 PROJECTS ADVANCED FROM 10-YEAR PLAN

- 44 Highway (12 are complete or under construction)
- 58 Transit (8 are complete or under construction)
- 9 multimodal projects with both Highway and Transit elements
- 33 Rural Paving (14 are complete or under construction)
- The full 10-Year project list & funding status can be found [HERE](#)

### EVERY CORNER OF THE STATE HAS BEEN ENHANCED WITH THE RURAL PAVEMENT PROGRAM.

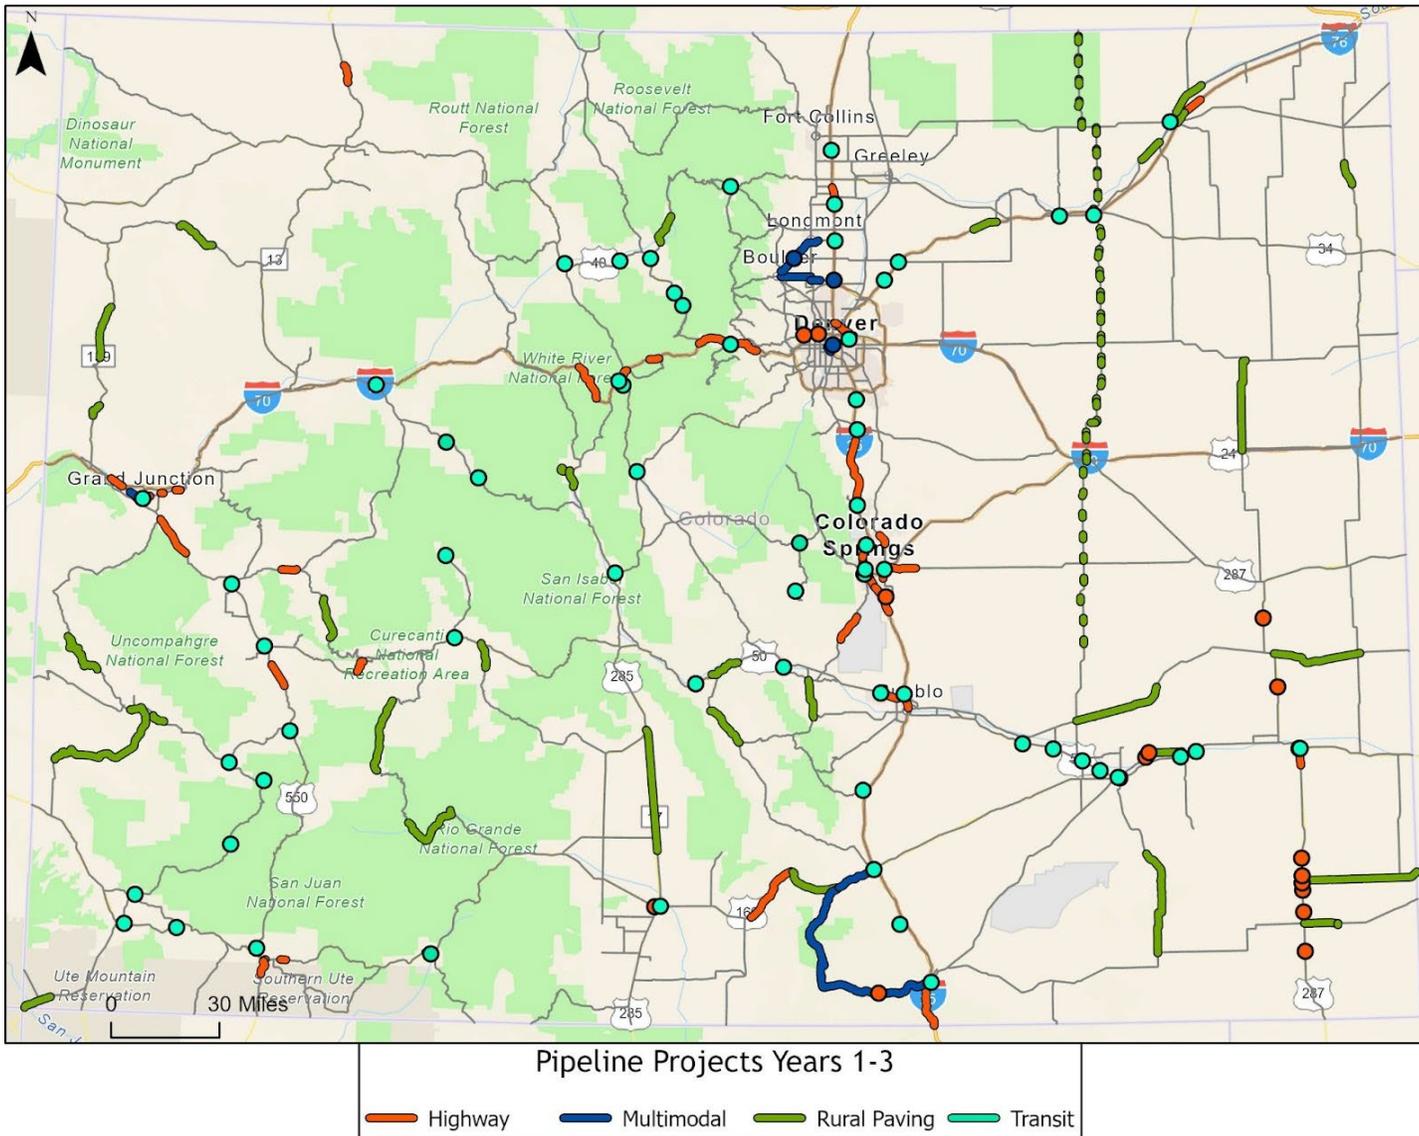

- 600 miles of rural Colorado roads on the state highway system improved.

### MOBILITY HUBS PROGRAM PROGRESS

- 4 Completed
- 2 in Construction
- 7 in Planning & Design
- 7 more planned but not yet started

# Map of Projects Funded to Date

Note: Dotted green line indicates rural paving improvements were at targeted locations along the length of corridor.

1. Vision doc that lists primary themes of the plan and projects in years 1-4 and 5-10
2. Now updated to show when projects become funded and advance to construction
3. Fact sheets for every single project
4. Online “story map”
5. Periodic “report cards” and other celebration announcements as major milestones are reached
6. Accountability and transparency tracking and website

## SEVERAL FACTORS

- Progress delivering years 1-4 of the 10-Year Plan - need to identify next set of priority projects.
- New funding provided by SB 260, plus the federal level infrastructure funding.
- New SB 260 requirements, including compliance with the new standard for reduced greenhouse gas emissions.
- Our work is not done!

**CDOT  
continues  
planning and  
building for a  
better  
tomorrow.**
