

2025 Policy Statement **Proposal Form**

In addition to soliciting members for legislative proposals, CCI also solicits its members for edits and/or additions to its [Policy Statement](#). Both items are reviewed during the September 20 Steering Committee meeting and ultimately adopted by the membership during the October 4 Membership Meeting.

Members are urged to review the Policy Statement and suggest changes. Please **submit your proposed changes via this form and submit by Friday, September 13** to Katie First (kfirst@ccionline.org). Feel free to use more than one page and include any supplemental materials.

Please note: refinement of these changes may occur during the Steering Committee meeting.

The CCI Policy Statement serves as the association's general guide on policy issues, corresponding to each Steering Committee, and provides CCI staff with guidance, until official positions are adopted.

The current CCI Policy Statement can be found on the CCI website at <https://ccionline.org/advocacy/policy-initiatives/>
