Meeting Intent: Approval & Ratification of 2026 Legislative Priorities; Approval & Ratification of 2026 CCI Policy Statement

Food for Thought: Is this a problem in your community? (ME-or-WE?)
What questions do you have about this problem?
Are there alternative solutions? (legislative or otherwise)
Is this solution effective and implementable?
Who else (non-counties) would likely support this proposal?
Who (non-counties) would likely oppose this proposal?
