I, Amy Mitchell (insert name) commit to participating in the encouraged training as described in the bylaws.

I am serving my 6th year as Park County Commissioner and would like to serve another term as Vice Chair for the General Government Steering Committee. The legislative lobbying work CCI does is important to counties, focusing on reducing negative impacts such as unfunded mandates and one-size-fits-all legislation. Delivering the best possible services to our citizens in a fiscally responsible manner is our unifying factor.

I plan to attend all meetings in person if Ma'nature allows and to serve for the benefit of all counties.

Thank you for your consideration.

Amy Mitchell
