Subject: 2027 Policy Statement Updates
Date: August 3rd, 2026

On an annual basis, CCI adopts its [policy statement](#) – “**these principles are meant as self-enforcing principles that provide guidance to CCI members**”. In addition, the policy statement provides general guidance to staff when a bill position has yet to be adopted (CCI Bylaws, Article XII, Section 1, Part 1). [The 2026 Policy Statement is available here.](#)

If you would like to propose a modification/update to the Policy Statement, please complete this form by **Friday, September 4** and return to Madison Bryant (mbryant@ccionline.org).

In addition to member-led proposals, the Steering Committees will conduct a review of the policy statement and make recommendations on issues related to their assigned subject area (CCI Bylaws, Article XI, Section 2, Part 3), during their meeting on Friday, September 18. Then, the Legislative Committee will “develop(s) proposed policy statements for consideration”, with ultimate votes and adoption occurring during a Membership meeting, on Friday, October 2 (CCI Bylaws, Article XI, Section 5).

This process is described in the [CCI Bylaws](#) (Article XI and Article XII). If you have any questions, please contact Katie First (kfirst@ccionline.org / M: 614-774-6261).
